# AFRICA VISION SYMPOSIUM

# 2026

The **Africa Vision Symposium** is an opportunity for **like-hearted** individuals to join hands as they seek to understand and implement God's holy vision for Africa.

The Bible gives us the necessary **compass points** to follow. Yet, the details and the roads we are to take are dictated by God in real time. The **Holy Spirit** is the agentic voice that says to us, "Go left," or, "Go right." Are we willing to see this from His perspective? Are we willing to let Him show us His ways?

We believe that the Symposium will provide a platform for us to discover God's unique **roadmap for Africa**.

## Who is the Symposium For?

The **Symposium** is an **invitation-only event**. It will form a **spiritual think tank** of leaders and Kingdom workers. They are brothers and sisters who are **deeply in love with God, who walk with Jesus**, and who are **sensitive to the Holy Spirit**, working together for the glory of God.

We see this Symposium as an opportunity to **equip, strengthen, and encourage** the arms and knees of spiritually younger leaders and Kingdom workers. We long to see a new generation of Davids, Ruths, Caleb's, Esthers, Joshuas, Deborahs, and Gideons **arise and show** the way forward. These are people who pursue an eternal, spiritual, and Kingdom-minded way of life.

Consider sponsoring someone of the younger generation whom God is raising up.

Your sponsorship positions you to be the Moses or the Paul who is instrumental in activating and releasing these future leaders and Kingdom workers.
